

# Evanescence, My Heart Is Broken

I will wander 'til the end of time, torn away from you.

I pulled away to face the pain.  
I close my eyes and drift away.  
Over the fear that I will never find  
A way to heal my soul.  
And I will wander 'til the end of time  
Torn away from you.

My heart is broken  
Sweet sleep, my dark angel  
Deliver us from sorrow's hold  
(Over my heart).

I can't go on living this way  
But I can't go back the way I came  
Chained to this fear that I will never find  
A way to heal my soul  
And I will wander 'til the end of time  
Half alive without you

My heart is broken  
Sweet sleep, my dark angel  
Deliver us

Change - open your eyes to the light  
I denied it all so long, oh so long  
Say goodbye, goodbye

My heart is broken  
Release me, I can't hold on  
Deliver us  
My heart is broken  
Sweet sleep, my dark angel  
Deliver us  
My heart is broken  
Sweet sleep, my dark angel  
Deliver us from sorrow's hold
