

Evanescence, My Immortal (Piano Version)

I'm so tired of being here
Suppressed by all my childish fears
I would give the very breath from my chest
To give you all the things that my mind couldn't bear
And if you have to leave
I wish that you would just leave
'Cause your presence still lingers here
And it won't leave me alone

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase

When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
I held your hand through all of these years
But you still have all of me

You used to captivate me
By your resonating light
Now I'm bound by the life you left behind
Your face it haunts
My once pleasant dreams
Your voice it chased away
All the sanity in me

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase

When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
I held your hand through all of these years
But you still have all of me

I'd love to walk away and pull myself out of the rain
But I can't leave without you
I'd love to live without the constant fear and endless doubt
But I can't live without you

When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
I held your hand through all of these years
But you still have all of me
