

# Evans Blue, Cold (But I'm Still Here)

Hello, I'm your martyr, will you be my gangster  
can you feel my trigger hand, moving further down your back  
when you hide, hide inside that body  
but just remember that when I touch you  
the more you shake, the more you give away

cold, but I'm still here, blind, 'cause I'm so blind, say never  
we're far from comfortable this time  
cold, now we're so cold, mine, and you're not mine, say never  
we're far from obvious this time

wait, another minute here, time will kill us after all  
now can you feel its second hand wrapped around your neck  
so fall into my eyes and fall into my lies  
but don't you forget  
the more you turn away, the more I want you to stay

cold, but I'm still here, blind, 'cause I'm so blind, say never  
we're far from comfortable this time  
cold, now we're so cold, mine, and you're not mine, say never  
we're far from obvious this time

you're so endearing, you're so beautiful,  
well I don't look like they do, and I don't love like they do  
but I don't hate like they do  
am I ever on your mind?

cold, but I'm still here, blind, 'cause I'm so blind, say never  
we're far from comfortable this time  
cold, now we're so cold, mine, and you're not mine, say never  
we're far from obvious this time

COLD, you broke me from the very first night  
I'd love you 'til the day that I die  
I'm far too comfortable this time  
COLD, I loved you from the very first night  
you broke me 'til the day that I die  
I'm far too obvious this time
