

Eve 6, Foiled Again

Sitting up once again...In my bedroom
Shaking hand holds ugly head...In my bedroom
Wish I may wish I might...In my bedroom
Have this wish I wish tonight...In my bedroom

At night when you turn out the light, think
Of me, smile and feel all right
And when you lay your head down to sleep, may I
Be the one who fills your dreams...
Are you lying wide awake?...In your bedroom
Are you trying to fall asleep?...In your bedroom
'Cause your not thinking about me...In your bedroom
If you were you'd wish those thoughts would leave you...In your bedroom

At night when you turn out the light, you wonder
what it was you thought you liked.
And you ask yourself what did you see,
In an idle hollow fool like me
I'm not the one who fills my dreams...
