

# Eve 6, Friend Of Mine

Are you feeling that you're on the brink,  
of spilling some red in the sink?  
It wasn't the easiest year  
No I don't want you to go

Are the memories too hard to take?  
Rape is a word with a face  
No I don't want you to go  
You know I don't want you to go

Friend of mine stay alive don't you leave me here  
All alone in the world with a chronic tear  
I will always be here  
I will always be here  
I will always be here for you

We walked the promenade in the rain  
With velcro shoes and an ice cream stain  
You're the only one who understands

Remember that Blake  
said to make sure you wake  
and help save your generation  
You know I don't want you to go  
You know we don't want you to go

Friend of mine stay alive don't you leave me here  
All alone in the world with a chronic tear  
I will always be here  
I will always be here  
I will always be here for you

Don't look back  
The past is just that  
We are awake!!!

Friend of mine stay alive don't you leave me (x2)  
I'll always be here!

Friend of mine stay alive don't you leave me here  
All alone in the world with a chronic tear  
I will always be here  
I will always be here  
I will always be here for you
