

# Eve, Get Up Ft Nate Dogg

[Eve]

Can never claim to be a gangsta nigga  
Just gangsta  
Now take a sip of something  
Let me entertain you  
The smoke is for them rowdy niggas  
Like they want to shank ya  
I cock back and blast with no questions asked  
So just hold tight  
Dont let the liquor run your whole night  
Dont let a second of courage fuck up your whole life  
I play the color analyze the view  
Push up my glass to a dolla just a chosen few  
Cuz I dont fuck with many  
Especially the tough ones off a glass of henny  
Specialy the ones always frontin that dont have a penny  
I run with niggas that demand respect  
And Im a boss bitch most yall cant handle that  
All you can do is watch and glide  
And take a special type nigga to stop a stride  
Cuz I cant respect a nigga that soft  
And I bet yall never seen it commin  
Me and my nigga Nate dogg

[Nate]

(chorus)

All the girls get up  
Take it too the floor  
Nate just bout to flow  
Turn it up some more  
All my dogs get down  
Let me see ya move  
All the girls get up  
Get up and get down  
Im on my way to the liquor store  
With E-V-E and my nigga rose  
Got too much game to be slippin though  
I let you know if you didnt know  
Never will you be able to fuck with me  
Never will I ever stop bustin Im makin Gs  
Whenever I retire Im gonna still be beats  
Shit that keep ya head bobbin  
People move your feet  
Shake that baby  
Driving me crazy  
I want that thing  
No ifs, ands, or maybes  
I might just keep it  
If you can keep a secret  
Best believe I know how to please it  
Twist and turn and got my body burning  
She aint broke yet but homie she learnin

(chorus)

get up and get down  
its for a glock but its letting out  
Met in the club now we playin house

Put on my glove and I knocked it out  
Im so cold  
Way too smooth

Shake that baby  
Driving me crazy

No ifs, ands, or maybes  
I might just keep it  
If you can keep a secret  
Best believe I know how to please it  
Twist and turn and got my body burning  
She aint broke yet but homie she learnin  
(chorus)
