

# Eve, Inside Out

Chorus:

I would swallow my pride  
I would choke on the rhines  
But the lack thereof would leave me empty inside  
I would swallow my doubt turn it inside out find nothing but faith in nothing  
Want to put my tender heart in a blender  
Watch it spin around to a beautiful oblivion  
Rendezvous then I'm through with you

I burn burn like a wicker cabinet chalk white and oh so frail  
I see our time had gotten stale  
The tick tock of the clock is painful  
All sane and logical  
I want to tear it off the wall  
I hear words and clips and phrases  
I think sick like ginger ale  
My stomach turns and I exhale

Chorus

So Cal is where my mind states but it's not my state of mind  
I'm not as ugly sad as you  
Or am I origami  
Folded up and just pretend demented as the motives in your head

Chorus

I alone am the one you don't know you need take heed feed your ego  
Make me blind when your eyes close sink when you get close tie me to the bedpost  
I alone am the one you don't know you need you don't know you need me. Make me  
blind when your eyes close, time me to the bed post

Chorus
