

Eve, Love is blind

Hey, yo I dont even know you and I hate you
See all I know is that my girlfriend used to date you
How would you feel if she held you down and raped you?
Tried and tried, but she never could escape you
She was in love and Id ask her how? I mean why?
What kind of love from a nigga would black your eye?
What kind of love from a nigga every night make you cry?
What kind of love from a nigga make you wish he would die?
I mean shit he bought you things and gave you diamond rings
But them things wasnt worth none of the pain that he brings
And you stayed, what made you fall for him?
That nigga had the power to make you crawl for him
I thought you was a doctor be on call for him
Smacked you down cause he said you was too tall for him, huh?
That wasnt love, babygirl you was dreamin
I could have killed you when you said your seed was growin from his semen
1 - Love is blind, and it will take over your mind
What you think is love, is truly not
You need to elevatte and find

Repeat 1

I dont even know you and Id kill you myself
You played with her like a doll and put her back on the shelf
Wouldnt let her go to school and better herself
She had a baby by your ass and you aint giving no help
Uh-huh big time hustler, snake motherfucker
Ones born everyday and everyday she was your sucker
How could you beat the mother of your children?
How could you tell her that you lover her?
Dont give a fuck if she lives
She told me she would leave you, I admit it she did
But came back, made up a lie about you missing your kids
Sweet kisses, baby didnt even know she was your mistress
Had to deal with fist fights and phone calls from your bitches
Floss like you possess her, tellin me to mind my business
Said that it was her life and stay the fuck out of it
I tried and said just for him Ill keep a ready clip

Repeat 1 (2x)

I dont even know you and I want you dead
Dont know the facts but I saw the blood pour from her head
See I laid down beside her in the hospital bed
And about two hours later, doctors said she was dead
Had the nerve to show up at her mothers house the next day
To come and pay your respects and help the family pray
Even knelt down on one knee and let a tear drop
And before you had a chance to get up
You heard my gun cock
Prayin to me now, I aint God but Ill pretend
I aint start your life but nigga Imma bring it to an end
And I did, clear shots and no regrets
Member cops comin in, watch me going to jail
Nigga whatever my bitch ,fuck it my sister
You could never figure out even if I let you live
What our love was all about
I considered her my blood and it dont come no thicker
Repeat 1 till end
