

Eve, Luv Is Blind

Hey, yo i dont even know you and i hate you
See, all i know is that my girlfriend used to date you
How would u feel if she held u down and raped u?
Tried and tried but she never could escape you
She was in love and i'd ask her how? i mean why?
What kind of love from a nigga who would black your eye?
What kind of love from a nigga who every night make you cry?
What kind of love from a nigga make u wish he would die?
I mean shit he bought u things and gave u diamond rings,
but them things wasn't worth none of the pain that he brings and you stayed
What makes you fall for him?

That nigga had the power to make you crawl for him
I thought you was a doctor, be on call for him
Smack you down cuz he said u were too tall for him
That wasnt love baby girl you was dreamin
I could have killed u when u said your seed was growing from his semen

Chorus:

Love is blind,
and it'll take over your mind
What ya think is love is truly not
you need to elevate and find

x1

I dont even know you and i'd kill you myself
You played with her like a doll, and put her back on the shelf
Wouldnt let her go to school and better herself,
She had a baby by your ass and u aint givin no help
Uh huh Big time hustler, Snake motha Fucka
One's born everyday and everyday she was your sucka
How could you beat the motha of your kids?
Tell her that you love her and dont give a fuck if she lives
She told me she would leave you, i addmit it she did
But came back, made up a lie about u missin your kids
Sweet kisses, Baby aint even know she was your mistress
Had to deal with fist fights and phone calls from your bitches
Lost like you pocessed her, telling me to mind my buissness,
And it was her life and stay the fuck out of it
I tried and said just for him i'd keep a ready clip

Chorus x2

I dont even know you and i want you dead
Dont know the facts but i saw the blood poor from her head
See i layed down beside her in the hospital bed
And about 2 hours later doctors said she was dead
Had the nerve to show up at her mothers house the next day
To come and pay your respects and help the family pray
Even knelt down on one knee and let a tear drop
And before you had a chance to get up; u heard my gun cock
Prayin to me now, I aint God but ill pretend
I aint start your life, nigga im gunna bring it to the end
And i did, clear shot and no regrets neva
Cops come and lock me down in da jail
Nigga whenever my bitch fuck that my sista
You could neva figure out even if i let u live what our love was all about
I consider her my blood and it aint come no thicka

Chorus x 5 1/2
