

# Eve, Tambourine Remix

Shake your tambourine gon get yourself a whistlin (15x)

::Missy e::

i'mma shake my tambourine,  
my a-ass be jumpin like a trampoline. See the puddy cat?  
a little pretty fat. and tell them boys to come close while you push back. Us girls look cute shakin o  
let me break it down. When me and eve comin through u better watch out.

Shake your tambourine gon get yourself a whistlin  
Shake your tambourine gon get yourself a whistlin  
Shake your tambourine gon get yourself a whistlin  
Shake your tambourine gon get yourself a whistlin  
Shake your tambourine gon get yourself a whistlin

::Fabolous::

(jiggle it baby)

go head baby

I flash screen till they say go head baby. your ass take u there,  
u bet ta go head baby!

u can b the next jennifer lopez, maybe! And we can be cleaner then the post threads baby.  
lean on these Niggas like a dopehead baby. them no car niggas gets no bread baby. Do it say stup

I aint gotta check them bills

God-damn, this is how bedlum feels.

By the way I be lambourginin

and have chicks shakin like they tambourinin.

Shake your tambourine gon get yourself a whistlin

::Eve::

yea im back in ya ear but this time I got the remix  
we made it even better this time can u believe this?  
catch em in the club when this shit come on  
hear the scream in the buildin this they favorite song  
cant stop and we ain't goin-try  
u can watch while I shake cuz I know what u like  
from the front to the back got them shakin they hands  
even thugs 2 steppin thats as much as they dance. And yes its alrite see em gettin loose now. Any  
could happen over bottle of the goose now. Know its crazy how we like to play, I got em ready for it

::Swizz beatz::

im so clean, lis to me

shawty on the floor shake-her damn tambourine. She all on the floor give me some more. Told her

I told her I was freaky freaky freaky on the floor.

she thought that i was skinny so she thought I couldn't hold her

then I throw her damn big-ass on my shoulder, I told her!

Shake your tambourine gon get yourself a whistlin

(Like this, like that)

(to the left, to the right)&quot;
