

Even Stevens, And I Know

What would you do if there was no yesterday
Everything you knew, it all just slipped away

Today doesn't matter, it won't make sense
Because tomorrow right now, it's all just yesterday

Well you knew that this isn't gonna last for very long
Yea you knew that this isn't gonna be forever
And I know that this isn't gonna last for very long
But it feels like it's never gonna end

Do what you want but don't forget to breathe
Cast away on the waves and find yourself at sea
And if you should find that you lost your way
Don't worry, there's always yesterday

You know
It's just too beautiful
It's just too beautiful
It's just too beautiful
It's just too beautiful

What would you do if there was no yesterday
Your thoughts and your dreams they all just slipped away
And when you find that you've lost your way, don't worry
There's always yesterday

You know
It's just too beautiful
It's just too beautiful
It's just too beautiful
It's just too beautiful
