

# Even Stevens, Notice Me-From Disney Channel M

Here's a story of a girl  
Livin in a lonely world  
Hit a note her secret crush  
A little boy who talks too much  
Well I'm standing in the crowd  
And when you smile I check you out  
But you don't even know my name  
You're too busy playing games  
And I want you to know  
If you lose your ways  
I won't let you go

[chorus]

Tell Me  
If I cut my hair  
If I change my clothes  
Will you notice me  
If I bite my lips  
If I say hello  
Will you notice me  
What's it gonna take for you to see  
To get ya to notice me

[bridge]

I'm not like the rest  
I just don't care if you're the best  
It's all the same to me  
You just be who you wanna be  
It's all the same to me

chorus

To get ya to notice me
