

Even Stevens, Teacher's Pet

Teacher's Pet

I wanna be teacher's pride
I wanna be the greatest, spiritest
The one most likely at your side
I wanna learn all that you can teach me
One class will do at the start
I'm sure with a little homework
I'll graduate to your heart, to your heart
I wanna be teacher's pet
I wanna be teacher's pet
I wanna take home a diploma
And show all that you love me too, yeah
So I can be a teacher's pet
I got to be teacher's pet
Stay long after school
Is the rule
yeah!!!
