

Everclear, All Fucked Up

"All Fucked Up";

(Hahahaha....Hey, what in the fuck are you laffing at!?!)

(Get outta the way..1,2,3,4,1,2,3, GO!)

I am all fucked up
And I'm ready to break
I don't wanna be the guy
Who is always on the outside
I wanna find my own good place

All fucked up
And I don't know how
How I ever got to where I feel
Like I am dying on the inside
I want to be happy
But I don't know how

I am all fucked up
And it's always the same
I always get so close,
Then I let it get away
I got no one but myself to blame

I'm all fucked up
And I don't know why
If the rest of my life
Is going to be like this
Think I'd rather die
I am all fucked up

Chorus:
Yes, I am all fucked up
You're happy
When you are all fucked up
Yes, I am all fucked up
(Chorus repeats several times)

I am all fucked up
And I'm ready to break
I don't wanna be the guy
Who is always on the outside
I wanna find my own good place

All fucked up
And I don't know how
How I ever got to where I feel
Like I am dying on the inside
I want to be happy
But I don't know how

I am all fucked up
And it's always the same
I always get so close,
Then I let it get away
I got no one but myself to blame

I'm all fucked up
And I don't know why
If the rest of my life
Is going to be like this
Think I'd rather die
I am all fucked up
