

# Everclear, All Fucked Up

&quot;All Fucked Up&quot;;

(Hahahaha....Hey, what in the fuck are you laffing at!?!)

(Get outta the way..1,2,3,4,1,2,3, GO!)

I am all fucked up  
And I'm ready to break  
I don't wanna be the guy  
Who is always on the outside  
I wanna find my own good place

All fucked up  
And I don't know how  
How I ever got to where I feel  
Like I am dying on the inside  
I want to be happy  
But I don't know how

I am all fucked up  
And it's always the same  
I always get so close,  
Then I let it get away  
I got no one but myself to blame

I'm all fucked up  
And I don't know why  
If the rest of my life  
Is going to be like this  
Think I'd rather die  
I am all fucked up

Chorus:  
Yes, I am all fucked up  
You're happy  
When you are all fucked up  
Yes, I am all fucked up  
(Chorus repeats several times)

I am all fucked up  
And I'm ready to break  
I don't wanna be the guy  
Who is always on the outside  
I wanna find my own good place

All fucked up  
And I don't know how  
How I ever got to where I feel  
Like I am dying on the inside  
I want to be happy  
But I don't know how

I am all fucked up  
And it's always the same  
I always get so close,  
Then I let it get away  
I got no one but myself to blame

I'm all fucked up  
And I don't know why  
If the rest of my life  
Is going to be like this  
Think I'd rather die  
I am all fucked up
