

Everclear, Chucklehead's Lament

I'm the man you don't think about
When you think about love
Lame white devil from the bars uptown
With a tatoood smile pulled tight around me like a killer's glove
I'm the man you don't wanna know
I'm the one
I'm that ugly one
Walking slow death ten feet behind you
Wherever you go, hey wherever you go
You'll feel the presence of a crippled man inside my mind
Wherever you go, hey wherever you go
You'll jump like danger at every face you see
Wherever you go, hey wherever you go
That reminds you of a life like me
Wherever you go, hey wherever you go
You'll know my name, you'll know what I am
For what I am
Yeah baby, I'm the man

That you will never want
When you want to have sex
Broken body and a misshaped head
Only bring to conscious mind the unclean smell of bitter sweat

Im the man you will never make
When you want to make love
I'm just the man who holds your glance in violence
Wherever you go, hey wherever you go
You'll feel the presence of a crippled man inside my mind
Wherever you go, hey wherever you go
You'll jump like danger at every face you see
Wherever you go, hey wherever you go
That reminds you hard of a life like me
Wherever you go, hey wherever you go
You'll know my name, you'll know what I am
Yeah, for what I am
Oh baby, baby, I'm the man
Yes, I'm the man

I'm the man you will never need
When you need to break down
I don't have the soft answers that you need
All I have are questions and my shoulders just aren't strong enough
I'm the one you don't want to know
I'm the man inside every man
I am waiting patiently and watching
Wherever you go, hey wherever you go...
