Everclear, Connection

All I want to do is get back to you Connection, I just can't make no connection But all I want to do is to get back to you

Everything is going in the wrong direction The doctor wants to give me more injections Giving me shots for a thousand rare infections And I don't know if he'll let me go

Connection, I just can't make no connection But all I want to do is to get back to you

My bags they get a very close inspection I wonder why it is that they suspect 'em They're dying to add me to their collection I don't know if they'll let me go

Connection, I just can't make no connection But all I want to do is to get back to you
