

Everclear, Local God

You do that Romeo
Be what you wanna be
Looks like you're running in place
Do that stupid dance for me

Do that Romeo
That go-go Romeo
I see you twist and turn
You look so stupid, happy and numb

Be my Romeo
Please be my voice in this world
I can't sing the songs that you sing
I can't find the gorgeous words

Will you be my Romeo?
My go-go Romeo?
I see you twist and turn
You look so stupid

I feel just like a local god when I'm with the boys
We do what we want
Yes, we do what we want

I feel just like a local god when I'm with the boys
We do what we want
Yes, we do what we want

We do what we want..
Yeah, we do what we want..

Be my Romeo
Tell me all about your love
Tell me all about your pain
Bated breath and rubber gloves

Be my romeo
My go-go go Romeo
I see you twist and turn
You look so fucking stupid

I feel just like a local god when I'm with the boys
We do what we want
Yes, we do what we want

Summer days can lead to the bad times
The world gets larger everyday
Yeah, yeah, the summer days can lead to the bad blood
It gets me feeling stupid, happy and numb

I feel so stupid..

I feel just like a local god when I'm with the boys
We do what we want
Yes, we do what we want

i feel just like a local god when I'm with the boys
We do what we want
Yes, we do waht we want

We do what we want..

Yeah, we do what we want..
