

Everclear, Rock Star

I don't want to be a loser
No! I don't want to be an almost was
I don't want to be a white trash
Working class chump
I don't want to be a loser anymore

That's why I want to be a rock star
I want to be the king
I want to be on top, yeah
I just want to be a rock star
Yeah, now I just want to be famous
I want to be the guy
That everybody wants

I want to be on tv shows
And wear designer clothes
I want a girlfriend who does not drink beer
I want to drive a fast car
And sleep with certain movie stars
I want to sing the songs
That all those little people want to hear

I just want to be a rock star
I want to be like all those people up in first class
I just want to be a rock star
I want to tell the little people
They can kiss my ass

I just want to be a rock star
I just want to get laid
I just want to be a rock star
A different girl
For every different day

That's why I want to be a rock star
Be like all those guys on the MTV
I just want to be a rock star
I want to make those girls on the Real World
Fantazise about me

I just want to be a rock star
I want to be the king
I want to be on top, yeah
I just want to be a rock star
Yeah, now I just want to be famous

Everybody everywhere wants to be famous
And everybody everywhere wishes they could tell
Everybody everywhere to go to hell

I just want to be a rock star
I just want to get high
I just want to party like a rock star
Until the day I die!

I just want to be a rock star
Yeah, I just want to be a rock star...
