

Everclear, Santa Baby

Santa baby, just slip a guitar under the tree for me
Been an awful good boy
Santa baby, hurry down the chimney tonight

Santa baby, a '54 convertible too, light blue
Yeah, I'll wait up for you dear
Santa baby, so hurry down the chimney tonight

Think of all the fun I've missed
Think of all the girlies that I haven't kissed
Next year I could be just as good
If you'd check off my Christmas list

Santa baby, I want a yacht and really that's not a lot
I've been an angel all year
Santa baby, so hurry down the chimney tonight

Santa cutie, one little thing that I need, the deed
To a platinum mine
Santa baby, so hurry down the chimney tonight

Come and trim my Christmas tree
With some decorations bought at Tiffany's
I really do believe in you
Let's see if you believe in me too

Santa baby, forgot to mention one little thing, a ring
Yeah, I don't mean on the phone
Santa baby, so hurry down the chimney tonight

Santa cutie, fill my stocking with a duplex, and checks
Sign your X on the line
Santa baby, now hurry down the chimney tonight

Think of all the fun I've missed
Think of all the girlies that I could've kissed
Next year I could be just as good
If you'd check off my Christmas list

Santa baby, forgot to mention just one little thing, a ring
I don't mean on the phone
Santa baby, so hurry down the chimney tonight
