

# Everclear, Sing Away

I hear a voice in your room  
When I'm alone at night

It reminds me of your life  
It reminds me of your laughter  
It reminds me of a better time before

Back before you decided  
That you did not want to be here anymore

I hear the poison in the voices of those awful words  
Yes I read the words they wrote to you

Those stupid broken children  
I wonder if they knew  
Just how badly they were hurting you

Those victimizing victims  
I wonder if they knew  
What their shaming did to you

I wonder if they knew  
Their words would make you want to find a place to hide

I wonder if they knew  
Their words would make you want to take your own life

Sing away  
Sing yourself away  
Sing away from those that hurt you  
Sing away the pain

Sing away  
Sing the words you want to say  
Sing the words that tell the truth  
Sing the words that keep you safe  
Find your voice and sing away the pain

Why didn't you talk to me?  
Why didn't you say you were afraid?

Didn't you know  
My job in life  
Was to keep you safe?

Why didn't you come to me?  
Why didn't you wake me like you used to do  
I was in my room 20 feet away

I didn't know you were so broken  
I wonder if you knew  
Your life is a song that will live in me and everything I do

I wonder if you knew  
I will always sing your song for you

Sing away  
Sing yourself away  
Sing away from those that hurt you  
Sing away the pain

Sing away  
Sing the words you want to say  
Sing the words that tell the truth

Sing the words that keep you safe

I sing your life  
I sing you to remember  
Sing away

I sing your life  
I sing you to remember  
Sing away

I sing you when I dream of you  
And you tell me sing away

I sing you when I dream of you  
And you tell me sing away

I sing you when I dream of you  
And you tell me you forgive me  
Sing away

I sing you when I dream of you  
And you tell me that you love me  
Sing away
