

# Everclear, Sparkle

I remember when you  
seemed real and shiny when the sweat of your voice  
shaky hands super loud and teenage mouth  
we were all charmed and taken with your talk

now i shudder when I hear the rhythm of your walk

I've got no place to go  
I've got no place to go  
I've got no one, no where, no one  
I have given up on the sparkle  
that I saw in you

yes I have sinned the sin of wanting more  
the belly fire pulls the spirit  
from the corporate whore

I'm embarrassed by the plaid you wear  
if I were you I'd hide behind that stupid bleache blond hair

now I've got no place to go  
I've got no place to go  
I've got no one, no where, no one  
I have given up on the sparkle that I saw in you  
yeah that simply minded sparkle that I thought I saw

yes I have wondered why you changed  
I like it when you were super loud  
yeah I wonder if you're still giving in  
tell me why you're giving in
