

# Evergreen Terrace, Dying Degree

Dresser droors are filled with pocket change  
Coupons cut, cigarettes smoked down to the butt,  
Is this what dreams are made of!  
Adding up subtracting down you find yourself sucking the rind  
Dying degree, graying amie  
Final payment made - had you forgot?  
The rightful owner of one deluxe cemetary plot  
Paisley satin lined how apprapoe  
What a better way to go  
Dying degree, graying amie  
No more eating crumbs  
When my pension finally comes  
Your kids want eat mush anymore 'round me  
Dying degree, graying amie
