

# Evergreen Terrace, Please Hammer Don't Hurt 'E

I hope I never give up.  
So afraid I'll break the skin.  
Do you feel the pain I own?  
Can you see the pain I love?  
Wrap my arms around my dreams.  
Wake up to an empty room.  
When will I have hope?  
When will I have hope again for this world I hate?  
With every ounce of flesh I will strangle self to a new way, new way of life.  
Wrap my arms around this dream of apathy.  
Strange lust of self conceived in veracities.  
Never give in... never!
