

# Evergrey, When The Walls Go Down

Lord if you don't help I can't get through this  
I can't  
Lord I'm too old for games  
Foolish games  
And I'm tired of rhetoric  
Meaningless rhetoric  
That never changes things  
Lord just help me  
Help me

I was feeling God's pain  
And I've never had anything  
That's been any worth to God  
In my 50 years  
That wasn't born in agony  
Never never  
Dead...empty...  
And I know that sermons won't do it  
I know that Revelation won't do it  
Covenant won't do it  
I know now  
Oh my God  
Do I know it  
Until I hit agony  
Until I have been anguished over it  
I'm preaching sermons  
Oh God

I broke down  
And I wept  
And I mourned  
Does it matter to you at all  
I can't handle this  
I can barely make it as it is

Little by little  
You're losing it  
The lamb of God  
The love of Christ  
People I know that were my friends  
And I see them go one by one  
Some of my closest friends  
You're changing  
You know what you were  
You're changing  
Little by little  
Something's happening to you  
Will it bring you to your knees  
That's all the Devil wants to do  
Is get the fight out of you  
And kill it  
So you won't labor in prayer anymore  
You won't weep before God anymore  
Go to Hell  
No weeping  
Not a word of prayer  
It's all ruined  
No laughing  
This is life and death  
When the walls go down  
And ruin sets in  
Where are the tears  
Where's the mourning  
Where's the confessing

Love of Christ  
The agony  
Of God's heart  
We have sinned...
