Everlast, This Kind Of Lonely

Sittin' alone and I hear rain fallin' on my windowsill
Just wanna do what's right but I don't know if I ever will
There's so many reasons, too many excuses
And all these prescriptions, got too many uses
And I'm so lonely
It's kind of scary
And this kind of lonely is making me weary
I'm so lonesome I could die

Sittin' alone and I am waitin' for the sun to shine
Sometimes I kneel and pray hoping someday you'll be mine
She's so many miles away
So many things to say
And all of the games we'd play don't matter anyway
Cause I'm so lonely
The sex is empty
But this kind of lonely makes it easy to tempt me
I'm so lonesome I could die
I'm so lonesome I could die

Sittin' alone and I am waitin' for somebody to call
Think if I up and died wouldn't nobody notice at all
Cause I'm so insecure and I feel so unsure
Can't take it anymore, no
It's never been like this before
And I'm so lonely, feel like cryin'
And this kinda lonely is worse than dyin'
I'm so lonesome I could die
I'm so lonesome I could die
I'm so lonesome I could die
