

# Everlast, Today (Watch Me Shine)

Yesterday is just a dream I don't remember  
Tomorrow, still a hope I've yet to endure  
I'm out of time, I'm out of rhyme, I'm out of reason  
Season's change and leave me out in the cold,  
The story's old, the tale been told by many scholar  
Got a fistful of dollar and pocketful of love  
God above if you hear me cryin'  
I've tried to sell my soul but no one's buyin'  
Lord, strike me down now if I'm lyin'  
Bronx Style Bob: Lord strike me down (3x)  
It's gettin' cold It's time for dyin'

## CHORUS

Come on and watch me shine  
Like the world is mine (check it out) today  
Come on and watch me shine (check it out)  
Like the world is mine today  
Watch me shine (check it out)

Let the man who's free from sin  
Bronx Style Bob: free from sin  
Cast the first stone and begin the violence  
Bronx Style Bob: begin the violence  
Let the man whose words ring true  
Speak on up till his voice breaks through the silence  
Bronx Style Bob: through the silence  
Let the ones who lose their way  
Live to see just one more day in the sunshine  
Bronx Style Bob: La-la-la-la-la-la-laaa  
Let the ones who choose to stray  
Recognize the prize they'll pay In their lifetime  
Bronx Style Bob: in their lifetime (2x)

## CHORUS

Sittin' you wait for my roads to cross  
You nail me down and you watch me bleed  
Bronx Style Bob: watch me bleed  
So lay my head against the earth  
Plant my body like a seed  
Bronx Style Bob: plant my body like a seed  
You can't always get the things you want, love (check it out)  
Bronx Style Bob: tell me what you want  
Get what you deserve or maybe what you need  
Bronx Style Bob: Uh, tell me what you need  
So fill my hole with precious dirt, love  
Till the soil and part the weed

## CHORUS
