

Everlife, Getting Closer

Wish I could make everybody happy
But so far it hasn't worked that way
Everybody has expectations oh yea, oh yea
If your looking' for picture perfect
Im a girl whose gonna let you down
Everybody as expectations
Oh yeah, oh yeah

[hook]
I'll be the first to admit
That my life's under construction yea

[chorus]
I know I'm Gods invention
He knows I need attention
Getting closer
closer everyday
Even with misconceptions
God knows my intentions
Getting closer more like him each day
Gods not, Gods not, Gods not
Through with me yet
Not through with me yet

Everyday I live I'm learning
How your mercy can make me free
From all my expectations
Oh yeah, oh yeah

[hook]

[chorus]

Even though I may try to become
What you want me to be
When I am less He is more
He is faithful completely
Complete me

[chorus]
