

# Evermore, Goodnight Is Not The End

Goodnight, goodnight my love  
Goodnight, goodnight my only one  
Goodnight, goodnight

Goodnight, goodnight my love  
Goodnight, goodnight my friend  
Even though the day is over  
Goodnight is not the end

When the moon has passed us by  
And when the sunlight has  
Opened up my eyes  
I will see you in the morning  
Goodnight, goodnight

Goodnight, goodnight my love  
Goodnight, goodnight my friend  
Even though the day is over  
Goodnight is not the end  
Goodnight is now the end
