

# Every Time I Die, Easy Tiger

How you gonna get up if you ain't never been down?  
How you gonna move on if you ain't never had enough?  
Give the signal  
Advance the pill pushers  
Administer a change purse full of thiorazine

She stirs  
We underestimated  
Doctor! Doctor!  
Give me the news  
She caught herself a cause of the wilds by loving you  
She caught a bad case of the wilds and she flatlines
