

Everyday Sunday, Don't Leave

He walked out the door that he came in
and i said no no I will miss you my friend
But he didn't turn around He didn't turn around Turn around
He didn't turn around when i feel on the ground
I said where are you goin
You used to like it here
I said where are you going
What is your fear
But he didn't turn around He didn't turn around Turn around
He didn't turn around when i feel on the ground
Please don't leave
Please stay
Please don't go away
I just want to see you a whole new way
Holy God your touch i just can't get enough
I don't want to forget your consuming love
I said heeey I said heeey
