

Everyday Sunday, I'll Get Over It (Miss Elaineous)

She came over last night and said she wanted to talk
But I didn't think she seemed herself.
She wore my favorite blue shirt and tonight I knew
I didn't want to be with anyone else.

And then the next ten minutes of my life were a blur.
And I couldn't believe what she said.
She said that she thought that we might be better off friends.
I said I thought I'd be better off dead.

Knees are shaking and these palms are sweating
while this heart is breaking
Can this be ordinary love?

Woahhhhhh Woahhhhh
Just close your eyes and it'll all be over soon.
Woahhhhhh Woahhhhh
Just close your eyes and it'll all be over soon.

Now I'm sitting here trying to find inside
All the right words to say.
But I'm still choking on the fumes
from when she drove away.

Knees are shaking and these palms are sweating
while this heart is breaking
Can this be ordinary love?

Woahhhhhh Woahhhhh
Just close your eyes and it'll all be over soon.
Woahhhhhh Woahhhhh
Just close your eyes and it'll all be over soon.

It'll all be over soon...
