

Everyday Sunday, The One

I am here and I'm with You now
And I didn't think I could feel this way
I am here and I'm with You now
'Cause You found me some how

Chorus

I can be the one tonight
When everything seems out of sight
I will follow You with all my life
I can be the one tonight

Jesus, You are the one
That makes me smile over and over again
I am here and I'm with You now
I want to hear you somehow

Chorus
