

# Everything Everything, Arch Enemy

Dinosaur  
Now awake  
Sphinx of Grease  
Faceless boat  
Sacrifice  
In your name  
Blubber Mount  
Sewage Moon

Just like wire  
Cut your body  
They silce your teats  
Calcified and stately cheeks  
I Wonder how you  
Come into my dreams at night  
Bow before yu  
I am your knife
