

Eves Plum, I Want It All

All I see is misery
Am I the only one, am I the only one?
At times I feel I talk to much
Am I the only one, am I the only one?
I want more than you could ever wish for me
I take a chance I want it all
I take a chance I want it all
I take a chance I want it all
I take a chance I want it all
Is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
As easy as you said it was going to be?
All I see is laziness
Am I the only one, am I the only one?
Even when it comes to me
Am I the only one, am I the only one?
I want more than you could ever wish for me
I take a chance I want it all
I take a chance I want it all
I take a chance I want it all
Is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
As easy as you said it was going to be?
I take a chance I want it all
I take a chance I want it all
I take a chance I want it all
Is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
As easy as you said it was going to be?
Is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
Tell me is it oh is it as easy as you said as you said
As you said as you said as you said oh as you said as you said
