

Eves Plum, Lovely You

Lovely you
Still part of me
I've no idea
Of where you are just now
Remembered again
As we lay
Not knowing of love
But feeling it the same
To me
To me you will always be
The greatest teacher
That I have ever known
I will be
I'll be waiting for you
I will be
I'll be next to you
Lovely you
Never believe
The effortless effect
You had on me
Did you
Did you, did you lie to me?
When you said to me
You'd always be around?
I'll be waiting for you
I will be
I'll be next to you
To me
To me you will always be
The greatest liar that I have ever known
You lied you lied you lied
To me
You lied, you lied
You lied, you lied to me
I will be
I'll be waiting for you
I will be
I'll be waiting for you
