

Evidence One, Criticize The Truth

Time to face what's going on
Time to face the hurting truth
it's so easy to close your eyes
It's so easy to lie to you

Don't you see, the times they changed
Think again

Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth

Hard to tell the wrong from right
Not to fall for the other side

Life can cheat you so many times
But you gotta stay strong, strong inside

Don't you see, what might have changed
Don't be afraid

Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
Live your dreams again
Time to Criticize The Truth
Keep from what might have been
Time to Criticize The Truth
