

# Evil Dead, Unauthorized Exploitation

He's your friendly merchant dude,  
He's so thrash and He's so cool,  
The local thief who bootlegs tapes,  
For twice the price a worthless shake,  
He's such a rip - He takes your money  
Can't trust a face - With eyes so shifty  
Stinks up the room with all his bullshit  
We know his greed - We'll have the last laugh  
To the pig who books the clubs,  
You're so fat you stink like swill,  
When you walk your layers shake,  
Clothes your size they do not make,  
Dragging along in your Eldorado  
Dispensing foul air through your HUGE buttcheeks  
to gaze on your shape it makes me nauseas  
You dirty fat slob - You're f\*\*king worthless.

gripping, crawling, to make your way to the top  
discouraged, broke, they pay you nothing for a set  
liars, cheaters, you get reamed for all your sweat  
backstabbing, deceit, the time will come to change the end

You pack the house, but they don't care,  
the biggest draw, but they're not fair,  
You want your money, it makes them laugh  
Come back next week, and bust your ass.  
RIP THE PIG DESTROY HIS DAMN GREED!!!

A peddler and a con  
Fast talker you won't last  
Procrastinator, Liar, corruption you desire,  
Always on the take,
