

Evil Superstars, Song Off The Record

<she went and she left me
like litter she took all future summers with her
I lost all my money
cuz I tried to bribe her
now I can only afford an amateur-sniper
oh lord oh no all would be violent
even if I had her
we never met but that doesn't matter
I'll have to spend my days
with a way of love as annoying as a needled feather
oh lord can I cease this life and join the ex-sinners
and practice peace for peace for beginners
oh no oh no oh no she smiled like a fat jesus
and darkness faded
she made dying feel overrated
ah not even a hundred dwarfs could help me now
it's been forty years of wild guitars
but I've made it somehow can i...>
