

# Evildead, Parricide

Arguments that start from sibling rivalry,  
Battered and bruised, his parents beat him nightly,  
Born with defects deformed and unsightly,  
Treated like shit always taken lightly.  
It's late at night the family is sleeping,  
His brother's the first, wakes up without thinking,  
A knife across his throat He's factaly bleeding,  
Ripped into shreds, brain fluid's seeping.

Mom and Dad died in bed their bodies are burning,  
Sister's guts were ripped out; Her dog used as stuffing,  
With all this fresh meat lying around The PARRICIDE starts thinking,  
&quot;It's such a shame to let it rot, I might as well start eating&quot;  
DECLARE ME CRAZY  
LEGALLY INSANE  
LET ME OUT IN FIVE YEARS  
TO DO IT ALL AGAIN  
AND TAKE MY OWN LIFE  
AND BECOME A EVIL SOUL  
POSSESS THE MINDS OF OTHERS  
AND MAKE THEM KILL THEIR OWN...

(solo: Gonzales)

INSANITY DISEASE

DEFORMED, DECREPIT, DYING

BRED TO LIVE ON HATE  
PSYCHOPATHIC MENTAL STATE  
FORESEE MY FATE-NO PITY ALL HATE
