

# Evol, Prologue (Waiting For His Coming)

ALONE, in a world of light  
ALONE, in the reign of christ  
THE BEAST, resting in the deeps of Ade  
THE FEAST, I'm preparing

MY HANDS, stained with blood  
A CORPSE, bleeding at my feet  
THE WIND, rose from the North has dropped  
THE SLAUGHTER, now begins

FATHER, You come at last  
SATAN, You are here for us  
THE BEAST, in the deeps of Ade awakes  
THE END, gets near

We Serve You  
We Serve You  
We Serve You  
We Serve You
