

Ewa Dolska & Tomasz Dolski, Coffee Cream

In the ...
The picture of you
I can still ...
I remember ...
How we met in New York
When I saw my reflection in you

Where are you now?
When I need you the most
Can't stop thinking of you
My Coffee Cream"
Where are you now?
When I need you the most
Can't stop thinking of you
My Coffee Cream"

From the very start
Which I everything dance
When we last dance
Down together
Such a beautiful view
When felt in love with you

Where are you now?
When I need you the most
Can't stop thinking of you
My Coffee Cream"
Where are you now?
When I need you the most
Can't stop thinking of you
My Coffee Cream"

I love you!
