

Ewan McGregor, Come What May

Never knew I could feel like this
Like I've never seen the sky before
I want to vanish inside your kiss
Every day I love you more and more
Listen to my heart, can you hear it sings
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of time

Chorus:
Come what may
Come what may
I will love you until my dying day

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste

But our world revolves around you
And there's no mountain too high
No river too wide
Sing out this song I'll be there by your side
Storm clouds may gather
And stars may collide
But I love you until the end of time

Chorus

Oh, come what may, come what may
I will love you, I will love you
Suddenly the world seems such a perfect place

Come what may, Come what may
I will love you, until my dying day!
