

# Exciter, Intruders

Fighters, igniters

A storm of intruders

Defenders are chosen

To fight off soldiers of venom

Intruders live - cast in stone

Intruders die - Forgotten souls

Atomic, barbaric

Break down the fears of terror

Evil dementors

Send a message of power

Intruders live - cast in stone

Intruders die - Forgotten souls

(SOLO)

Atrocities, injustice

Break down screaming killers

Danger awaits us

Beware of human sacrifice

Intruders live - cast in stone

Intruders die - Forgotten souls
