

Exciter, Weapons of Mass Destruction

Rivals break and then destroy
Kings of time with deadly force
Terminate the evil screams
Desinate the rival's fear

Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction

Keep the faith and obstruction
Sacrifice the one who stole
Terror waits for us to fall
Break the wrath of vengeance toll

Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction

Rivals break and then destroy
Kings of time with deadly force
Terminate the evil screams
Desinate the rival's fear

Weapons of Mass Destruction
Weapons - of destruction
Weapons of Mass Destruction
Weapons - of destruction
