Exciters, Tell Him

I know something about love You've gotta want it bad If that guy's got into your blood Go out and get him If you want him to be The very part of you Makes you want to breathe Here's the thing to do

CHORUS

Tell him that you're not never gonna leave him Tell him that you're always gonna love him Tell him, tell him, tell him, tell him right now

I know something about love, you gotta show it and Make him see the moon up above Reach out and get him If you want him Makes your heart sing out If you want him to only think of you

CHORUS

Ever since the world began, it's been that way for man And women were created to make love their destiny Then why should true love be so complicated? Oh yeah!

I know something about love You gotta take his hand Show him what the world is made of One kiss will prove it If you want him to be always by your side Take his hand tonight, swallow your foolish pride

CHORUS

Oh, you hafta go now (Tell him that you're never gonna leave him) oh, yeah (Tell him that you're always gonna love him) yeah (Tell him, tell him, tell him right now)

Don't you let him go, now (Tell him that you're never gonna leave him) oh, yeah (Tell him that you're always gonna love him) yeah (Tell him, tell him, tell him right now)

FADE

Just take his hand in yours and tell him
