

Excuse Me Moses, Don't Talk To Strangers

Don't talk to Strangers
They could tell you lies
Your guardian angel
Gave you a lease of life

Don't pray to angels
They could give you wings
Beware of changes
You could live your life in sin

And every night you lock your doors at home
So nothing can go wrong

Don't talk to anyone
You don't have to listen to advice
And don't answer that ringing phone
Someone could precipitate a crisis
No No No (No No No)
No No No

Make a wish
Let's see what we can do
As long as we care
Nothing can happen at all

And every night you lock your doors at home
So nothing can go wrong

Don't talk to anyone
You don't have to listen to advice
And don't answer that ringing phone
Someone could precipitate a crisis
No No No (No No No)
No No No
