

Exhumed, Horrendous Member Dismemberment

[musick - Matt Harvey; lyrixxx - Matt Harvey, Ross Sewage, 1994]

Nailing the dismembered member to the table, Hammer gleaming in my sweat soaked palm, First excruciating blow to the scrotum is struck, Hammering my genitals into a bloody pulp... Agonizing self castration, This hammer my tool of self-emasculatation... Disfigured bludgeoned stump... Relentlessly smashing my own copulatory organ, Savagely striking the pulverized mess, Testicles crushed beyond recognition, Punctured, pulped, and pounded, Gouging out the pulsating gonads, The scrotal sac is lacerated and split, As the urethra is violently macerated, My prepuce is now flayed to bits... Collapsing of the corpus cavernosum, Completely liquefying the testis and scrotum... Experimenting with penile malleation, The excruciating pain causes urinal vesation... Disfigured bludgeoned stump... The seminiferous tubules are splayed, Rendering the organ sterile, Severing of the epididymis, A vasectomy so vile...
