

# Exhumed, Sex, Drink & Metal

[Sarcofago Cover]

[music & lyrics - Sarcofago, 1989]

Inside my freedom  
I'm slaved  
By those tastes of lust and evil  
I cannot escape

I ever hear a voice  
A voice that is my sign  
Sex, drinks & metal  
The destiny of my life!

Beware  
I'm alive  
And licensed to:

Sex, drinks & metal

Some forces tried to stop me  
But I destroy them with my hate  
'cause in blood I will have my revenge  
I'm not worried if it happens late

I'm living in sin  
And it's a hard way of life  
But in sex, drinks & metal  
I will die!!!
