

Exilia, Coincidence

I was lying on the floor
Till I heard you cry so close
Yes, I was thinking of suicide, suicide
Your face, there in the mirror
Your sigh, visions in my head
Goin' mad, is there someone else?
Someone else?

Is there something more that I can say?

I can say, I can say, I feel you closer
I can say, I can say, is there something more that
I can say, I can say

Are we living on a razor?
Is this predestination?
I? m confusing what is real, what is real
Something, something is controlling
Calling, crawling in my skin
I say, is there someone else?
Someone else?

Is there something else that I can say?

I can say, I can say, I feel you closer
I can say, I can say, is there something more that
I can say, I can say

I feel you? Am I sick? There? s no end, if you believe
Coincidence, destiny, it? s not over (2x)

Give me a sign (4x)
I can? t see you

If I have a star
You are protecting me
If I am too blind
It? s just coincidence
If I live in fear
Your sigh covers me
If I fear to live
I can say
It? s not over
It? s not over
